DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The amendment filed on 4/22/2008 amending all claims drawn to the elected invention of SEQ ID NO: 90 and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because Applicants have amended all of the claims to be drawn to the nucleic acid sequence of SEQ ID NO: 155. However, in the Election to the Restriction Requirement of 4/25/2005, Applicants elected the nucleic acid sequence of SEQ ID NO: 90. As such, Applicants have changed the scope of the current claims.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

/Brandon J Fetterolf/
Primary Examiner, Art Unit 1642
